

Share the Plate Policy

The Share the Plate program was established on a pilot basis during the 2017-18 fiscal year. Based on its success, the Program Council recommended, and the Board agreed, to extend the program for the 2018-19 fiscal year.

The program is conducted under the sponsorship of the Social Justice League. A subcommittee researches and recommends specific charities, local or non-local, for approval by the Board in advance of the collections.

The Share the Plate program takes a collection six times per year during Sunday Services. The collections are allocated as follows:

- 100% of donation envelopes or checks (payable to GUUF) that are noted with “Share the Plate” go to the charity.
- Undesignated cash is split, 50% to the charity and 50% to GUUF.
- All other funds collected go to GUUF.
